Time for these again. Can you have someone update them and add/remove as necessary?

Kim,

I started updating all of these about a week ago, gathering information from budget and system staff.

Also, last year Kim Braswell created one-pagers for STEP related contracts - parenting skills, etc. Last week, I took the liberty of asking Carey for the information to update those as well, and I also created a one-pager for LOSFA.

I still need to review and update the performance information for each, but that shouldn't take more than a day or two. I hope to have all of the fact sheets to you by close of business on Monday.

Thanks,
Julie

Julie,

Please update these for me. Need a "one-pager" for each TANF Initiative.

Thanks

Kim
